VOLUME 31

ISSUE 8

August 2009

August meeting:

There will not be a meeting this month. Join us September 24th for our September meeting.

A special thanks to Mary Harris hosting our July meeting at her house and giving us a tour of her personal museum.

Bradley Reeves of the East Tennessee Historical Society will be our featured speaker for September. Bradley will be discussing the photography and film preservation projects that he is currently involved with.

Events:

PGHS Annual Workshop - Cancelled

Unfortunately, we've had schedule conflicts with our planned speakers and we will not be able to hold our 2009 Workshop. We will continue working with our current theme and adapt the plans for 2010.

Queries:

Lawson

I am Will Setzer, a decendent of William LAWSON and Mahala LAWSON PARDUE. I found that you have a record of their family bible (1833 – 1888) and Mahala's grave stone in your 2000 #4 Pellissippiian journal. What information do you have available and how can I obtain this information? I am trying to prove that Mahala is of native American descent. Any help with this would be greatly appreciated. You can contact me at 715-222-1892 or respond by email at setz0010@umn.edu.

The Pellissippiian:

2009 Issue #2 is at the printers and should be available soon.

Thanks Carla Foust.
