Queries:

George Bell

I am compiling a genealogy tree and am writing to find out whether you have any birth, school, medical, property, marriage, or death records of my grandfather George Earl Bell. According to his WWI draft record, he was born in Anderson County, Tennessee in 1892. Thank you for any assistance which you can offer. Best Regards, Brian Sumner, Richmond, Virginia. Email: brian.a.sumner@gmail.com

William Crowder (obituary)

William Crowder was my great-great grandfather. I had a copy of a newspaper obituary but somehow in a move I have lost the original. I have a scan of a second obituary written a week after his death, but I need a copy of the original one to persuade DAR that they have his date of birth wrong. His grave marker agrees with the original obituary and I think if I have that plus a photocopy of the original obituary I can convince them. It would have appeared the week of March 20, 1904. If I can't get a photocopy even a correct citation would be helpful to me, as this also links him to his parents and to his children. (George W. Cross was my great-grandfather). I would appreciate any assistance in pointing me in the correct direction. Charlotte Crowder Durham, email: durhamcc@aol.com

Eli Norman

I am doing research on a Revolutionary War patriot and his sons to link them to my family. The patriot Eli Norman bought property in SC from his sons Isaac and Henry Norman in 1797 and 1798. The sons then moved to TN. I have deeds of Isaac and Henry buying property and on tax records in Anderson County in 1802. The Anderson County ROD was very helpful in sending the deeds to me. The next piece of the puzzle is whether Eli also moved to Anderson between 1798 and 1802. I understand Anderson was formed in 1801 and records prior to then would be in Knox County. Can anyone help me determine if Eli Norman or Isaac and Henry bought property between 1798 and 1801 before Anderson County was formed? I very much appreciate your assistance in this search. The Pellissippiian.

Issue #1 of the 2015 Pellissippiian has been sent to the printer.

Remember to send us an update if you change your USPS mail address or email address.

If the address or zip code isn't absolutely correct, we may get their journals back as "Undeliverable as addressed...Return to Sender...Postage Due." Even if the recipient moves to another apartment in the same building, the journal is returned to us, because the address is incorrect.

To cover the 'postage due penalty' and the cost of re-mailing the journal, if a member's issue of The Pellissippiian is returned to the society as undeliverable to the address we have on file, that member will have to pay \$6 to ACHS in order to have that issue re-mailed to the corrected address. We apologize for this inconvenience, but we must do so, as postage costs continue to increase
