## **Query:**

### **Boggs & Holloway**

I am researching my family history, and I was hoping you could help me. My mother's family is from Clinton, Tennessee, and one of her family members died in a flood in about 1964. It had something to do with the mine breaking, and water flooding down the mountain and a number of people drowned. Her relative that drowned was Henry L Hall, Jr. I have looked online, but cannot find any information on the flood. I was hoping you might have something on it that would help me. My mother's last name was Boggs, and her mother's name was Holloway. If you had any information on those names, I would definitely be interested. Thank you, John Stanton, email: [stanton333@yahoo.com](mailto:stanton333@yahoo.com)

### **Dickson**

I'm looking to validate a connection with William Pearsall Dickson and his daughter Dorcus Dickson Vann for my DAR file. I told by Harry Vann Jr. that there was a reference in an early edition of The Pellissippian that mentioned an estate sale (possibly 1830) that Dennis Vann and Bill Dickson went to. Unfortunately, Harry passed away before I could get more information on the article. It would be helpful if I could locate that article. Thank you for any help.
