**Library News:**

The Library has many good books and references that may hold the answer to the road block that you are facing. They receive new material most every month from other parts of the country. If you are a member of "PGHS" you may check most of them out. If you have any that you have not returned, please do so as soon as you finish with them so others may use them.

*This information has been prompted from the response we received from the members that have agreed to receive their Newsletter by email.*
